What’s Up – Up On the Hill?

Before the end of the mini-term, each student should write up and report to the class on two articles from the newspaper or the internet. The content of these articles should connect with the topic, unit, or theme we are studying this mini-term. The topic this mini-term is: _Current Bills and Laws 2014 Utah State or National Legislature_

In your journal, answer the following questions about your article with a meaningful response.

1. Who
2. What
3. Where
4. Why
5. How
6. So What? (Why is it important?)
7. Reflect and react to the article – what do you think about it?

After you have written up your article, staple it to your report, report to the class and then hand it in to Mr. Hatch. (16 points for each article)- (1 point each for 1-5, 3 points each for 6-7, 5 points for reporting)
